Certificate

For the Fiscal Year ending Jan. 31, 1927

This is to certify that the information contained in this report was taken from official records and is complete to the best of our knowledge and belief.

Dated February 23, 1927

C. RALPH KENNETT
JOHN H. BURKE

Selectmen of Madison

Madison, N. H., Feb. 23, 1927

I, Isaac W. Frost, auditor for the Town of Madison, N. H., for the fiscal year ending Jan. 31, 1927, hereby certify that I have carefully examined the accounts of the Selectmen and find them properly cast and well vouched.

ISAAC W. FROST,

Auditor

NOTE

February 23, 1927

Since January 31, 1927 the collector has turned over to the Town Treasurer the sum of \$1396.03 leaving a balance of \$200.00. Also the school District has been paid the balance due of \$2000.00 and the Madison Fire Department \$225.00.

C. RALPH KENNETT

I. A. FORREST
E. E. KENNETT
SADIE I. GILMAN
School Board

Madison, N. H., February 14, 1927.

SUPERINTENDENT'S REPORT

To the School Board of Madison:

I herewith submit my sixth annual report as superintendent of schools, it being the fourteenth in the series of such reports.

Our schools are still going ahead under the care of trained teachers. The elementary schools are well filled and the high school is considerably larger than last year. Very few days are lost and the schoolrooms are busy places. We have added another to our list of graduates studying in Normal Schools. Frances Thompson is studying in Keene. Four of our young ladies graduate from Plymouth Normal this year and will go out to teach school in New Hampshire next fall. Roland Lyman is in Bates. Sarah Chamberlain is in Bioston University. Paul Bickford is in the University of New Hampshire, and Martha Kennett is in Boston Conservatory of Music.

Teachers

Our teachers are working hard and should be appreciated. There are six regular teachers in the em-

ploy of the district. A cadet teacher, also, from the University of New Hampshire, teaches French in the high school.

High School—John A. Nelson, Headmaster; L. May Quimby, Assistant; Theda L. Learned, cadet at present.

Elementary—Beatrice M. Gregory, Mason School, 9 pupils; Laura O. Smith, Nickerson School, 18 pupils; Lillian M. Cole, Madison Corner, 30 pupils; Florence W. Pearson, Silver Lake School, 29 pupils.

I earnestly wish some provision could be made for a special teacher of music and drawing.

Medical Inspection

My wish of last year regarding a school nurse has been fulfilled and we now have the services of an excellent nurse—Miss Marjorie Buswell. Madison is in a Union with Conway, Eaton, Freedom, and Effingham. Inspection shows Madison children to be in good condition generally but some cases should receive attention. Already some special cases have been corrected. More follow-up work will be urged in the spring. Miss Buswell makes her headquarters at North Conway.

The chief wealth and great glory of Madison is her fine boys and girls. Health and knowledge are grand and splendid when linked with strength of character and nobility of purpose. Every adult citizen is guardian of the future. Every youth has his adult hero. Every child should be given a fair chance.

Repairs

During this year the Mason schoolhouse has been painted inside and a small slate blackboard installed. The inside of the main room at the high school has been repainted. A window has been placed in the west side of Madison Corner building. Chimneys have been topped and a new heater placed at Silver Lake.

For next year, several foundations should be reset, new steps placed at Nickerson, the two remaining

rooms at the high school redressed and at least one building painted outside.

Prizes

Prizes will continue to be won by high school pupils. The Lincoln medal was won by Henry Hobbs. Prizes offered by the Silver Lake Woman's Club have stimulated a keen interest in public speaking. In the opening contest, the first place was awarded to Edith Pearson, the second to Alfred Moody and the third to Frank Pearson. Alfred Moody represented the school in the inter-school contest at Durham, where he made the finals.

High School

The high school is making real progress this year in the hands of capable and very hard working teachers. The total enrollment to date is forty-two, six more than last year. There is an earnest spirit of endeavor. The athletic team has shown good ability. The "Madisonian" is still a unique feature of this school, being one of the best school magazines in the state.

The English Club has assumed responsibility for publication of a School History of Madison, collecting a good deal of material and financing the whole proposition. This has been a very excellent project and has called forth state-wide commendation.

Statistics

The following pupils had perfect attendance for the year ending June, 1926:

Benjamin D. Bickford, Mason School

Doris M. Bickford, Mason School

Beryl Bickford, Mason School

Edgar A. Bickford, Mason School

Eleanor L. Emerson, Mason School

Erlon L. Emerson, Mason School

Earle B. Kennett, Madison Corner

Evelyn G. Towle, Madison Corner

Helen Lyman, Silver Lake
Albert Lyman, Silver Lake
Madeline Giles, High School
Esther R. Gilman, High School
Florence M. Gilman, High School
Frances A. Thompson, High School
Russell E. Bennett, High School
Samuel F. Lyman, High School
Leonard P. Bickford, High School
Esther F. Jackson, High School

The median cost per pupil of average membership in the state is \$78.94 in the elementary schools and \$130.53 in the high schools. In Madison the former is \$71.47 and the latter is \$128.93.

Our schools for the year ending June 20, 1926 showed an average attendance of 109, and an average membership of 113. The total enrollment was 123. The percent of attendance was 96.

Trained Teachers

The time has come in New Hampshire when there is a trained teacher for every school. Normal school enrollment is now four times what it was ten years ago. The pupils generally attend faithfully when a trained teacher is in charge. With a trained teacher and a learning pupil, the value of the school depends upon the length of the learning period in hours, days and weeks. It means that there must be daily unbroken school sessions. Some districts are now having a year of 360 actual half days. Eleven districts in the state last year had 360 to 368 half days. Twelve had 354 to 359 half days. Madison had 348 half days.

Every school in New Hampshire had at least 36 weeks last year, while in 1919 scores of towns had a school year of only 30 weeks or less. Probably no other state in the Union can boast of every child having an opportunity to attend school 36 weeks during the year.

In conclusion, I wish to thank the school the school

board, teachers, pupils and citizens for cordial support.

Respectfully submitted,

F. W. JACKSON

Superintendent
